P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Pursuant to applicants' duty of disclosure under 37 C.F.R. § 1.56, listed on the enclosed Form PTO-1449 are three (3) references (A1-A3) for the Examiner's review and consideration. Two references are United States patents and, therefore, copies are not provided. Courtesy copies will be provided if requested by the Examiner. The third reference is a German publication, a copy of which is enclosed herewith, along with the European Search Report mailed December 13, 2004.

It is respectfully requested that the references be made of record in this application by the Examiner's completion and return of the Form PTO-1449.

No fee is believed to be due for this submission as every reference cited therein was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. Should any fee be due, however, please charge the required fee to Winston & Strawn LLP Deposit Account No. 50-1814. A copy of this sheet is enclosed for accounting purposes.
